ORDER:

In the D.O. letter 1st read above, the Municipal Administration & Urban Development Department, has stated that the Government of Andhra Pradesh is taking up Andhra Pradesh Urban Water Supply Project (APUWSP) with Financial Assistance of Asian Infrastructure Investment Bank (AIIB) for providing water supply facilities in 50 Urban Local Bodies with a overall project cost of Rs.4188.71 Cr. Administrative Sanction has been accorded vide G.O.Ms.No.144, MA&UD (UH) Department dated 07.05.2018 entrusting the responsibility of implementing the Project to the Engineer-in-Chief (PH).

2. Further, the Municipal Administration & Urban Development Department, has stated that as the Asian Infrastructure Investment Bank has put in a condition that the inter departmental permissions pertaining to water drawl, land alienation should be obtained before inviting the tenders. Hence, the Principal Secretary to Government, MA&UD Department, has requested to Water Resources Department to give necessary instructions to the concerned to accord necessary permissions for the drawl of raw water, alienate the land or permission to construct project structures and to accord permission for carrying out the work of laying of pipe lines in the land belonging to the Department.

3. In the Government Memo 2nd read above, the Engineer-in-Chief (Irr), Vijayawada was requested to obtain reports from the CEs concerned and furnish specific remarks to Government, immediately.

4. In the reference 3rd read above, the Engineer-in-Chief (Irr), Water Resources Department, Vijayawada has stated that, the Chief Engineer (P),

Kurnool vide his letter's dated:26.06.2018 and 05.07.2018 has submitted the **feasibility reports on I. Yemmiganu II. Nandikotkur III. Gudur IV.Atmakur and V. Allagadda ULBs.**

5. The Engineer-in-Chief (Irr), Water Resources Department, Vijayawada, has requested the Government as reports submitted by the Chief Engineer, Kurnool for according permission to allocate and draw 0.18 TMC of water in Velugodu Balancing Reservoir for drinking water needs of Atmakur Nagarapanchayat and 0.06 TMC of water to Allagadda town and spare 0.18 TMC of water for the needs of Nandikotkur Municipality from Alaganur Balancing Reservoir and spare 0.08 TMC from Sunkesula to Gudur Nagar Panchayath to meet the drinking water needs as the drinking water is first charge on irrigation projects in the state and also stated that there is no objection to construct intake well in the foreshore of Sunkesula Barrage.

6. Government, after careful examination of the matter, hereby accord permission to allocate and draw 0.18 TMC of water in Velugodu Balancing Reservoir for drinking water needs of Atmakur Nagarapanchayat and 0.06 TMC of water to Allagadda town and spare 0.18 TMC of water for the needs of Nandikotkur Municipality from Alaganur Balancing Reservoir and spare 0.08 TMC from Sunkesula to Gudur Nagar Panchayath to meet the drinking water needs as the drinking water is first charge on Irrigation projects in the state and also there is no objection to construct intake well in the foreshore of Sunkesula Barrage.

7. The Engineer-in-Chief (Irr), Water Resources Department, Vijayawada, shall take necessary further action in the matter.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
